

**AMENDMENT**

In the Abstract

Please delete the abstract paragraph and insert the following paragraph:

C<sub>1</sub> --Disclosed are polynucleotides that encode VEGF3 polypeptides or analogs and complements to such polypeptides. Also provided are vectors and host cells which contain such polynucleotides and a method for making polypeptides by utilizing such host cells to express the polypeptides which are then isolated or recovered.--

In the Title

Please delete the current title and insert the following:

--Polynucleotides Encoding Vascular Endothelial Growth Factor 3 Polypeptides and Methods for Producing the Polypeptides--.
